Sir:

The undersigned is an attorney of record for the above-referenced application.

The owner of 100% percent interest in the instant application, Automotive Technologies International, Inc., (an assignment from the inventors to the owner/assignee having been recorded at Reel 015128, Frame 0841), hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §§154 to 156 and 173, as presently shortened by any terminal disclaimer, of U.S. Pat. No. 6,735,506 issued May 11, 2004 and entitled "Telematics System", which patent is owned in its entirety by Automotive Technologies International, Inc. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and U.S. Pat. No. 6,735,506 are commonly owned.

This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and 173 of U.S. Pat. No. 6,735,506, as presently shortened by any terminal disclaimer, in the event that said U.S. patent later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.
